SANGUINE

THE WORD SANGUINE CAME TO MY MIND WHEN I WAS THINKING ABOUT TIMES IN MY LIFE THAT I HAD TO STAY POSITIVE AND CLEAR HEADED IN A PARTICULAR SITUATION. YOU MIGHT BE WONDERING. WHAT DOES SANGUINE MEAN.

SANGUINE USED AS AN ADJECTIVE MEANS: OPTIMISTIC OR POSITIVE, ESPECIALLY IN AN APPARENTLY BAD OR DIFFICULT SITUATION.

YOU CAN SEE THIS DEFINITION PLAY OUT IN THE SCULPTURE BY SEEING THE DIFFERENT STRESS POINTS CREATED ON THE SMALLER LETTERS SUCH AS THE 'U'. BUT THE STRUCTURE IS STILL ABLE TO STAND WITHOUT AN ISSUE. IF WE ARE TO THINK OF THE SCULPTURE AS A PERSON, THE 'U' IS GOING THROUGH A ROUGH TIME BUT AS A WHOLE, THE STRUCTURE STANDS TALL AND STRONG. THIS JUST SHOWS THAT EVEN IF ONE PART OF YOU FAILS, THE OTHERS WILL HELP SUPPORT YOU UP. THIS CAN BE APPLIED TO LIFE. YOU MIGHT BE GOING THROUGH A ROUGH TIME BUT YOUR CONNECTIONS (FRIENDS AND FAMILY) WILL BE THERE TO HELP KEEP YOU OPTIMISTIC OR POSITIVE EVEN THOUGH YOU MIGHT BE IN A DIFFICULT SITUATION.
